*\*If potty-trained, unless exception has been made by program supervisor.*

### **PLEASE NOTE:**

- Kids Zone is a youth development drop-in care program for members with a Family 1 or 2 membership.
- Children may stay up to 90 minutes per visit.
- Please have your child's membership card ready to scan at check-in.
- A parent/guardian (over the age of 14) must be in the building at all times while children are checked in.
- Please wear or bring socks for your child's visit.
- Toys from home are not recommended as they may become lost or damaged.
- Staff may move children from one room to another based on the level of business and ability of the child, at the staff's discretion.

Everyone is welcome. The YMCA of Greater Seattle strengthens communities in King and south Snohomish counties through youth development, healthy living and social responsibility. Financial assistance is available.
